

## **BME 2nd Occasional National Overstock-Blowout Sale (NO-BS)**

Bill Miller Engineering, is having a sale on overstocked BME Forged Aluminum Connecting Rods. Most of these sets were ordered by customers changed their minds and cancelled. Their decision to cancel becomes your shoppportunity.

Some part numbers are partial sets. If you're interested in any of those, you can either take the existing overstock at an even deeper discount or you can order enough additional parts to make a full set. Call for deep-discounted partial set prices or to order a full set. All dimensions listed are in inches.
